Subject: Information sought under RTI Act, 2005 regarding recruitment.

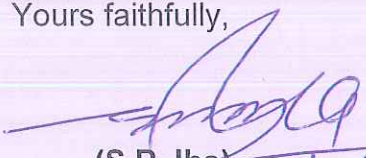

Dear Sir,

Kindly refer to your RTI No. MOPNG/R/2016/50668 dated 02.05.2016 which forwarded by MoPNG vide letter no. J-25017/4/2016-Gen dated 20.05.2016 regarding above mentioned subject.

In this connection, it is brought to your kind information that ONGC Videsh Limited is a 100% subsidiary of Oil & Natural Gas Corporation (ONGC) and all recruitments are carried out by its parent company ONGC. ONGC Videsh Limited, itself does not carry out any recruitment action. Therefore, the information/compliance submitted by ONGC in this regard may be treated as the information/compliance of ONGC Videsh Limited.

Thanking you,

Yours faithfully,

(S.P. Jha)
Chief Manager (HR)

1. How many public sector undertakings under your ministry are following the policy of making recruitment of fresh engineering graduates/management trainees (engineering) through Graduate Aptitude Test of Engineering (GATE) being conducted by different IITs every year.

2 Has your ministry issued instructions to all public sector undertakings under your jurisdiction to strictly follow the policy of making direct recruitment of fresh engineers only through GATE score thereby ensuring transparency, efficiency and impartiality in recruitment process.

3 Kindly list those PSUs who are not following this policy and still making their own arrangement for recruitment of fresh engineers or outsourcing them to some outside agencies thereby compromising the integrity and fair practice of selection process.

4 What steps have been taken by your ministry against those companies.

5 Are you aware that some companies/PSUs like BPCL are making recruitment through GATE score but still making mockery of whole process by denying the candidates the weightage of 85% of their GATE score and encouraging nepotism by just making final selection list by just adding the marks of group discussion and HR interview and through this policy restricting the very purpose of conducting GATE exam by different IITs. They are using this GATE score for just shortlisting the candidates and not adding this GATE score in final tally. Are you aware that candidates have been eliminated just on the basis of their group discussion marks irrespective of their GATE score in their just concluded selection procedure for the current year.

Information Sought :

6 Are you aware that other govt. agencies like SSC, while making final list of selected candidates give 85% weightage of marks secured by candidates in written examination and interview component has just 15% marks out of 100% until 2016 (practise of interview now dispensed with)

7 If yes, do you contemplate cancelling the present recruitment drive undertaken by BPCL in the current year in April for engineering graduates to ensure impartiality and objectivity in conduct of examination process and discourage nepotism.

8 Kindly make available the data with regard to total number of vacancies, no of candidates shortlisted for phase 1 group discussion, phase 2 HR interview and no of candidates finally selected and their ranks in GATE 2016 for general candidates. Kindly also furnish the list of those candidates who were eliminated on day one of each day of selection process under the Mechanical stream. BPCL may also requested to provide the highest gate score of candidate and lowest score of candidate called for interview/group discussion and highest and lowest rank of candidates finally selected under general category of Mechanical stream with regard to post of Management Trainee (Mechanical) advertised by them for the year 2016 and the suitable reason for not giving the 85% weightage to GATE score in their just held selection process.
